We also comply with Article 6(1)(e) and Article 9(2)(b) of the General Data Protection Regulation (GDPR) which applies across the European Union (including in the United Kingdom) and we are responsible as ‘controller’ of that personal information for the purposes of those laws. Our Data Protection Officer is Mr Jones.

We use the pupil data:

Collecting pupil information

Whilst the majority of pupil information you provide to us is mandatory, some of it is provided to us on a voluntary basis. In order to comply with the General Data Protection Regulation, we will inform you whether you are required to provide certain pupil information to us or if you have a choice in this.

Storing pupil information

Ethelbert Road Primary School keep information about you on computer systems and also sometimes on paper.

We hold your education records securely until you change school. Your records will then be transferred to your new school, where they will be retained until you reach the age of 25, after which they are safely destroyed.

There are strict controls on who can see your information. We will not share your data if you have advised us that you do not want it shared unless it is the only way we can make sure you stay safe and healthy or we are legally required to do so.

Who do we share pupil information with?

We routinely share pupil information with:

- schools or colleges that the pupils attend after leaving us
- our local authority (Kent County Council) and their commissioned providers of local authority services
- the Department for Education (DfE)

We share pupil information with contracted providers of services (such as school photographers and catering providers) where consent has been given.

We will share personal information with law enforcement or other authorities if required by applicable law.

We may also share limited pupil data with local schools to enable the moderation of pupil assessment outcomes and to support collaborative working through joint analysis.

Why we share pupil information

We do not share information about our pupils with anyone without consent unless the law and our policies allow us to do so.

In order to meet statutory requirements around appropriate education provision, and to fulfil safeguarding requirements, we share information about school history, and the latest known pupil and parent address and contact details in the event of a Child Missing Education, or becoming Electively Home Educated. This information also supports the in-year admissions process.

We share pupils' data with the Department for Education (DfE) on a statutory basis. This data sharing underpins school funding and educational attainment policy and monitoring.

To find out more about the data collection requirements placed on us by the DfE (for example; via the school census) go to <https://www.gov.uk/education/data-collection-and-censuses-for-schools>

We are required to share information about our pupils with our local authority (LA) and the Department for Education (DfE) under section 3 of The Education (Information About Individual Pupils) (England) Regulations 2013.

The National Pupil Database (NPD)

The NPD is owned and managed by the DfE and contains information about pupils in schools in England. It provides invaluable evidence on educational performance to inform independent research, as well as studies commissioned by the DfE. It is held in electronic format for statistical purposes. This information is securely collected from a range of sources including schools, local authorities and awarding bodies.

We are required by law, to provide information about our pupils to the DfE as part of statutory data collections such as the school census and early years' census. Some of this information is then stored in the NPD. The law that allows this is the Education (Information About Individual Pupils) (England) Regulations 2013.

To find out more about the pupil information we share with the department, for the purpose of data collections, go to <https://www.gov.uk/education/data-collection-and-censuses-for-schools>.

To find out more about the NPD, go to <https://www.gov.uk/government/publications/national-pupil-database-user-guide-and-supporting-information>.

The DfE may share information about our pupils from the NPD with third parties who promote the education or well-being of children in England by:

- conducting research or analysis
- producing statistics
- providing information, advice or guidance

The DfE has robust processes in place to ensure the confidentiality of our data is maintained and there are stringent controls in place regarding access and use of the data. Decisions on whether DfE releases data to third parties are subject to a strict approval process and based on a detailed assessment of:

- who is requesting the data
- the purpose for which it is required
- the level and sensitivity of data requested: and
- the arrangements in place to store and handle the data

To be granted access to pupil information, organisations must comply with strict terms and conditions covering the confidentiality and handling of the data, security arrangements and retention and use of the data.
