

Photo Permission Form (May 2018)

Photographs and videos are a source of pleasure and pride. We believe that the taking and use of photographs and videos can enhance the self-esteem of children and their families and therefore is something to be welcomed and appreciated.

We may take photographs for a number of reasons whilst your child is with us, including:

- documenting and recording education activities
- recording their learning and development progress
- recording special events and achievements
- celebrating the learning and activities in our school

We will also encourage children to be active learners and to become involved in using cameras themselves by taking photos of their surroundings, activities and of each other.
