

## Maths

Our focus this term will turn towards geometry. We will calculate missing angles in polygons, build simple 3D shapes (including making nets), describe positions on the full co-ordinate grid and translate simple shapes on the co-ordinate plane. In preparation for the forthcoming SATS examinations, we will revise the four operations, fractions and negative numbers. The children will have the opportunity to complete practice papers.

## R.E.

We will explore the importance of places of worship.

## Spanish

Health and well-being will be the focus of our Spanish learning this term.

## P.E.

We will be improving our athletics skills during PE sessions.

## Art/DT

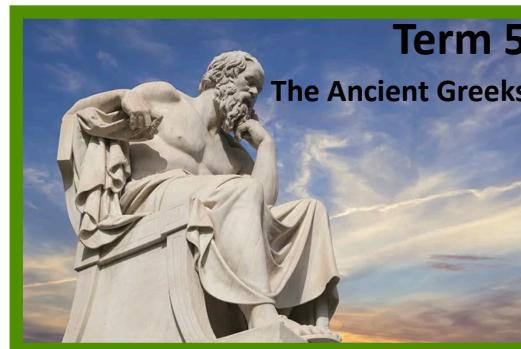

We will be exploring the art of illusion, learning about perspective, foreshortening and trompe l'oeil.

## PHSE

The power of negotiation, the law and secondary transition will be our focus for Term 5.

## English

This term, our English lessons will continue to link with our history topic: The Ancient Greeks. We will be learning about Socrates and philosophical thinking. The children will engage in a debate about democracy and freedom of speech. We will then follow this by using persuasive devices to write a formal letter of protest. We will also be revising key English skills in preparation for the forthcoming SATS examinations. The children will have an opportunity to practise reading and GPS papers prior to completing the 2025 papers. There are links in the homework folder to support with spelling, grammar and punctuation revision.

## Subject Specific Vocabulary

**Ancient Greeks:** Athens, Acropolis, Aegean Sea, BC/AD, council, civilisation, democracy, empire, oligarchy, hierarchy, hoplite, philosophy, Parthenon, Acropolis, Mediterranean, monument, Mount Olympus, Odysseus, rights, Sparta, state, Trojan war.

## Magic Moments (Enrichment)

- **School trip to Blean Woods.**
- **Planning for our showcase assembly.**

## Computing

We will be learning about data and information, navigating a flat-file data base to compare different views.

Exciting books to read!

## History

We continue to explore the world of the ancient Greeks with a focus on philosophy and the trial of Socrates. The children will assess the impact of the ancient Greek civilisation on the modern world.

## Science

This term we will learn about human development and describe the changes that take place as humans develop from birth to old age.

## Music

We will be exploring identity through song.
