

Maths

This term, the children will continue to utilise their problem-solving and reasoning skills to tackle complex problems and puzzles in preparation for secondary school. In computing, we will be exploring programming, using selection to produce different outcomes.

R.E.

We will explore connections between sustainability and religion.

Spanish

This term, we will be learning vocabulary linked with a range of holidays in Spanish.

P.E.

We will be improving our athletics skills during PE sessions.

Art/DT

DT learning: What a performance! The children will be designing a headdress for a character.

PHSE

Term 6 learning: Transition to secondary school.
Well-being and healthy relationships.

English

Throughout Term 6, our English will link directly with our geography topic: Faversham - Past, Present and Future. The aim will be for our children to speak and write 'like geographers'. The children will also be rehearsing for our showcase assembly and our end-of-year production: Robin and the Sherwood Hoodies. All the children will be writing about their memories of their time at Ethelbert Road to read aloud in our leavers' assembly.

Faversham: Past, Present and Future

Subject Specific Vocabulary

Faversham: Past, Present and Future

Site, location, town, county, creek, environment, derelict, redevelopment, transport, plan, land use, scale, key, settlement, route, residential, rural, urban commercial, recreation, leisure, public services, distribution, population, demographic, fieldwork, amenities, economy, Ordnance Survey, navigation, trade, vessels, maritime, Purifier Building.

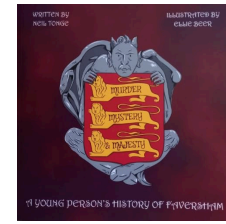

Magic Moments (Enrichment)

- School trip to Faversham Creek.
- Planning for our showcase assembly and production.
- Visit to Mote Park.

Computing

The children will be exploring programming, using selection to produce different outcomes.

Exciting books to read!

Geography

Our topic for Term 6: Faversham - Past, Present and Future. We will briefly explore the history of Faversham as a settlement, and then investigate land use around Faversham Creek. The children will have the opportunity to conduct fieldwork.

Science

This term we will continue to learn about human development and also explore reproduction in plants and animals.

Music

We will be singing and rehearsing for our production.
