It is a statutory duty in legislation to report back to the full Board at the next meeting following a monitoring visit.

Having delegated Governors does not reduce the collective accountability of the Board for all its functions. The Board will need to ensure that its agenda and reporting mechanisms enables all Board members to have a collective strategic overview for all delegated monitored areas to enable accountability and effective informed decision making.

### **Guiding principles:**

Before undertaking any monitoring, Governors will read the Monitoring Visits Policy and Board code of conduct. Written reports will be submitted for factual check and comment by the headteacher within one week of the visit, and then be lodged with the clerk/governance professional for distribution as soon as possible, at least seven days before the next Board meeting.

It is expected that three monitoring visits will be completed during the year unless school circumstances necessitate more. Not all visits necessarily have to take place during the time when pupils are in school and could be just as effective as a meeting between Governor(s) and the lead professional at the end of the day as mutually agreed.

### **Responsibilities**

- To ensure full understanding of the delegated role.
- To be properly prepared for each visit by reading relevant policies and paperwork.
- To meet with the lead professional within the school to gain an understanding of the scope of the area/target and the activities the school is conducting to achieve success.
