

Maths

In maths there is a focus on addition and subtraction within 10 and we will be looking at 2D and 3D shapes.

We will be:

- Finding number bonds
- Subtracting to find a part
- Solving addition word problems
- Creating 2D and 3D shape patterns

R.E.

During term 2 we will be exploring celebrations and discussing the Christian nativity story. We will be performing our nativity play with year 2.

Spanish

In Spanish we will be learning about colours and Spanish Christmas traditions.

P.E.

Wednesdays: Invasion Games
Throughout the week: Practising dance routines

Art/DT

In our art lessons this term we will be investigating colourful landscape pictures and designing an Inuit boat.

PSHE

In PSHE we will be talking about friendship and personal hygiene.

English

In English we will be learning about nouns and adjectives. We will be including adjectives in our writing for description.

We will be:

- Creating lost posters when Snowy the penguin goes missing
- Writing a recount of what happens
- Writing a retell of the Lost and Found story
- Creating a polar animal shape poem

The Polar Regions Year 1 Term 2

Subject Specific Vocabulary

North Pole	The North Pole is the northernmost place on Earth. When at the North Pole all directions point south.
South Pole	The South Pole is the southernmost place on Earth. When at the South Pole all directions point north.
Equator	An imaginary line around the centre of the Earth. It is very hot at the Equator. It divides the Earth into the north and south hemispheres.
Penguins	A large seabird that cannot fly. Found in the South Pole. There are many types with the most famous probably being the Emperor penguin.
Polar Bears	A large, white Arctic Bear found in the North Pole. It is one of the most popular animals in the world.
hemisphere	It is half the Earth divided into north and south by the equator. Britain is in the northern hemisphere.

Magic Moments (Enrichment)

Christmas Play
Trip to the church to see the Nativity Scene

Computing

In our computing lessons we will be creating digital paintings. We will be learning how to create lines and shapes and choosing appropriate colours.

Exciting Books

Topic

We will be focusing on Geography this term by work together to locate the polar regions on a map and discuss their physical features. We will also explore the ways of life of Inuit communities. We will have lots of opportunities to use atlases and globes this term.

Science

In our science lessons we will be naming and identifying different materials. We will discuss why particular items are used for different objects. We will also carry out an experiment to determine which material would be the best for a waterproof coat.

In music, we will be creating beats, rhythms and patterns using cups. Songs will include:
We will rock you!
Addams Family
The Nutcracker
