

Maths

In maths we will be focusing on numbers to 20 and addition and subtraction within 20.

We will:

- Use a number line
- Order numbers
- Add by counting on and using number bonds
- Finding doubles and near doubles
- Subtract to find the difference
- Solve addition and subtraction word problems

R.E.

We will be exploring sacred places and we will be visiting a Synagogue in Ramsgate to learn more about the Jewish faith.

Spanish

In Spanish we will be learning vocabulary based on colours.

P.E.

During PE we will be participating in circuit training and continue to develop our motor skills.

Art/DT

In Art we will be creating space pictures using a range of materials and we will create a pinch pot alien using clay.

PHSE

In PSHE we will be focusing on personal hygiene and keeping healthy.

English

In English we will continue to include adjectives in our writing and we will be using our phonetic knowledge to help with our spelling. We will begin to add the conjunction 'and' to our writing to extend our sentences.

This term we will be:

- Creating a fact file about Neil Armstrong
- Writing our own explorer adventure story

Explorers

Year 1 Term 3

Subject Specific Vocabulary

Key Vocabulary

achievement	An achievement is something challenging that a person does well.
astronaut	A person who is trained to travel in space.
equipment	Objects that are needed for an activity, such as exploring.
expedition	A journey taken for a reason, such as exploring somewhere or something.
explorer	Someone who goes on a journey to find out about somewhere or something new.
polar	Polar describes anything about (or near) the North Pole or South Pole.
significant	Important and worth knowing about.

Magic Moments (Enrichment)

During this term we will have STEM week and we will also be having an astronaut in training day. Trip to the Synagogue and the Turner Contemporary Art Gallery.

Computing

In our computing lessons we will use the Numbots programme. We will be learning vocabulary related to programming and we will develop our skills to program a BeeBot.

Exciting Books

Topic

During topic we will have a history focus. We will be learning facts about different significant explorers, including Christopher Columbus and Neil Armstrong. We will be finding comparisons between explorers and creating timelines.

Science

In our science lessons we will be learning about our bodies and each of the five senses. We learn how astronauts keep themselves healthy while in space. We will be predicting what the astronaut food is by taste.

Music

During music we will be exploring chants through a series of lessons about Football.
