

Maths

We will begin Term 4 by concluding our learning about multiplication and division. We will then learn about measuring length, height, mass, capacity and temperature.

English

We will imagine that we are Emma Jane from the book 'Emma Jane's Aeroplane' and write a diary entry describing our journey, thoughts and feelings. We will read the book, 'Nobody Owns the Sky' by Reeve Lindburgh and we will write a letter to Bessie Coleman. We will also read 'The Tear Thief' by Carole Ann Duffy which will inspire us to write an alternative scene for the story as well as a description of the Tear Thief. Finally, we will conclude Term 4 by reading and writing some **spring-themed poetry**.

Exciting Books

Transport: The History of Flight

Year 2 Term 4

RE – How and why do we celebrate special and sacred times?

(Christians and Muslims)

Spanish El Transporte – We will be learning Transport words, use of the first person ir (to go) and compass directions.

P.E. In Games we will use a bat and ball to develop tennis and cricket skills. In Gym, we will learn about balancing, rolling and jumping.

Subject Specific Vocabulary

flight	chronological order	timeline	past
present	old, older, oldest	aeroplane	The Wright Brothers
Bessie Colman	Amy Johnson	Amelia Earhart	propeller
changes	aircraft	aviation	gliders

Topic We will start off with a brief introduction to the history of transport and we will look at a **timeline** of the history of flight. We will be inspired by **female aviators**, including **Amy Johnson** (with links to Herne Bay) and **Bessie Coleman** who was the first African-American woman and first Native American to hold a pilot license.

Art/DT We will be designing and making a moving vehicle for Mr Gumpy's Outing.

Science: Animals, including Humans

We will learn that animals, including humans have **offspring which grown into adults**.

We will find out about and describe the basic needs for survival (**water, food and air**).

We will describe the importance of **exercise**.

We will describe the importance of eating the **right amounts of different types of food**.

PHSE

We will learn about basic survival needs and caring for the environment.

Magic Moments (Enrichment)

A visit from a diver who dives off of the coast at Herne Bay searching for Amy Johnson's plane wreck.

Computing: Data

We will begin to understand what data means and how this can be collected in the form of a tally chart. We will learn the term 'attribute' and use this to help us organise data. We will then progress onto presenting data in the form of pictograms and finally block diagrams.

Music: We will learn about **beat, rhythm**, repetition, structure and use the piece, *Orawa* by Wojciech. Then, we will create music inspired by train travel, learning the terms: *crescendo*, *diminuendo* and *accelerando*.
