

Maths

In maths we will be focusing on multiplication (2, 5 and 10 times tables) and division, fractions, position and direction.

We will:

- Count in 2s, 5s and 10s.
- Make arrays and doubles.
- Find a half and a quarter
- Describe turns and positions.

English

In English we will continue to include adjectives and suffixes in our writing and we will be using our phonetic knowledge to help with our spelling. We will begin to add the conjunction 'but' and use 's' or 'es' to make words plural.

This term we will be:

- Writing instructions on how to plant a seed.
- Creating an information leaflet
- Planning and writing a story with a beginning, middle and end.
- Creating an onomatopoeia poem.

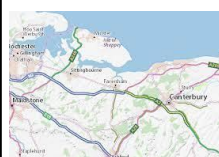

Exciting Books

R.E.

We will explore Christianity in more detail. We will be looking at what Christians believe about Jesus and describing different Christian beliefs.

Our Local Area: Faversham Year 1 Term 5

Topic

During topic we will be learning geographical facts about Faversham. We will be identifying the human and physical features of the town and creating our own maps.

We will also be learning the names of the four countries and their capital cities that make up the United Kingdom.

Spanish

This term we will use the familiar text The Very Hungry Caterpillar to develop our Spanish vocabulary related to insects, food and recall colour vocabulary too. We will use songs and games to help us to remember new words.

Subject Specific Vocabulary

Key Vocabulary

map	A specially drawn picture of a place from above.
symbol	A picture that represents a word or group of words. They are used on maps to make things clear and easy to find.
house	A building that people live in

Buildings in the Local Area

Buildings in the local area could be used for lots of different things. Some of these could be...

Art/DT

In Art we will be enhancing our drawing and DT skills while we explore architecture and learning about Zaha Hadid.

Magic Moments (Enrichment)

During this term we will be venturing out of school to explore the different features and landmarks of Faversham. We will also be performing our year 1 assembly.

Computing

In our computing lessons we will be creating PowerPoints with geographical information and images about Faversham.

Science

In our science lessons we will be learning about plants. We will be planting sunflower seeds and observing the changes to our sunflowers over time. We will discuss what plants need to survive and explore evergreen and deciduous trees.

PSHE

In PSHE we will be focusing on Safety Symbols and Road Safety.

Music

During music we will exploring *Nautilus* through movement and drawing.
