

Maths

Length and Perimeter

Find the perimeter of a rectilinear shape.

Fractions 1

Use, compare and convert improper fractions and mixed numbers.

Fractions 2

Add and subtract fractions.

English

To begin with, our writing will continue to be inspired by the USA. We will be learning about storytelling in Native American culture. We will share some orally and then create our own. We will continue to focus on sentence structure and varying types of sentence.

We will also be reading the book 'Charlotte's Web' by American Author E.B. White. Spellings will continue to be sent home on Mondays and checked on Fridays.

Exciting Books

R.E.

In RE this term, we will be continuing to learn about how different communities see Jesus as an inspirational figure.

Rivers

Year 4 Term 4

Topic

In Topic this term, we will be learning about water, rivers and mountains. We will learn all about the different components that make up a river, why people choose to live close to them and how they change over time.

Spanish

Los deportes - sports

In Spanish, we will be learning about different Sports and the words associated with them.

Topic Key Vocabulary

Key Vocabulary	
dam	A barrier that blocks off flowing water.
fertiliser	A substance that helps make plants grow.
particles	Everything is made up of matter. Particles are tiny bits of matter.
pesticides	A substance used to destroy pests such as small animals, insects and weeds.
pollution	Anything that is introduced into a habitat which has a harmful effect on plants and animals living there.
reservoir	A man made lake that is used to store water.
water vapour	Water that is in the form of a gas.

Computing

In computing, we will be learning about data logging. We will be using digital devices to collect data and then we will be interpreting it.

Magic Moments (Enrichment)

- Faversham Gym Club
- Easter Assembly
- Cooking in DT

Science

In Science this term, we will be learning about 'Living Things and their Habitats'. We will be using classification keys to group animals by type and creating our own. We will also be exploring environmental dangers to endangered species.

PSHE

In PSHE, we will continue to learn about anti-bullying, the safe use of apps and Fair Trade.

DT

In DT this term, we will learning about seasonal produce and foods. We will be looking at how food is produced and how it is imported/exported to our country. We will also be cooking a number of different recipes using seasonal produce.

Music

In Music, we will be continuing to learn how to play the recorder.
