

Maths

Decimal Fractions 1

Explore tenths and hundredths as decimals.

Decimal Fractions 2

Use, compare and order decimal fractions.

Money

Order, add and subtract amounts of money.

English

This term, we will be starting to read a book called 'Anglo-Saxon Boy' by Tony Bradman.

To begin with, our writing will be inspired by poetry about rivers. We will be learning some to perform before we write our own. After this, our focus will change to the Anglo-Saxons. We will be using 'Anglo-Saxon Boy' to inspire our creative pieces, working on including fronted adverbials and expanding our use of conjunctions.

Spellings will continue to be sent home on Mondays and checked on Fridays.

Exciting Books

R.E.

In RE this term, we will be learning about how different religions around the world view life as a journey. We will also be visiting a Synagogue.

Rivers/Anglo Saxons

Year 4 Term 5

Topic

At the start of the term, we will be completing our Geography learning about Rivers before we move on to learning about the Anglo-Saxon period in British History. We will be learning about their arrival and the impact they had on our locality.

Spanish

La Ropa – clothes

In Spanish, we will be learning about items of clothing and the words associated with them.

Topic Key Vocabulary

Key Vocabulary	
Angles	Tribes from an area today known as modern day Denmark that settled in Britain from around AD 450. They were one of the tribes that became known as the first Anglo-Saxons.
Saxons	A tribe from the north coast of Europe, especially Germany, that settled in Britain from around AD 450. They were one of the tribes that became known as the first Anglo-Saxons.
Picts	Tribes originally from Scotland who were often feared.
Scots	People from Ireland who, like the Picts, were fierce and powerful fighters.
invaders	People who enter an area and take control of it by force.
kingdom	An area ruled by a king or queen.
Pagan	Someone who follows the Paganism religion and worships many gods and goddesses.
Christianity	A religion based on the teachings of Jesus Christ.

Computing

In computing, we will be learning about photo-editing and creating digital images. This work will be linked with our learning in Art.

Magic Moments (Enrichment)

- Visit to a Synagogue
- Sports Day

Science

In Science this term, we will be learning about 'Electricity'. We will be building circuits and developing our understanding about how they work. We will also explore different conductors for electricity.

PSHE

In PSHE, we will be learning about the rule of law in Britain and how this applies to us.

Art

In Art this term, we will be learning about the artist David Hockney. We will be taking photos and creating digital art. We will create a photo montage and digital portrait inspired by his work 'The Joiners'.

Music

In Music, we will continue to learn the recorder. We will be learning new notes and a new song.
