

Maths

We will introduce the names of 2D shapes and some of the words to describe their properties. We will be learning about numbers that are more and less than a given number and practise the concept of breaking a whole into parts and develop their vocabulary to describe the position of objects into parts using a part-whole model.

Communication & Language

We will be developing the skills of using a talk partner in class. We will practice taking turns to listen and talk. We will also be learning new vocabulary related to our topic of People Who help us.

Physical development

Our PE session is on a Wednesday afternoon. Please continue to send your child into school wearing their PE kits.

Spanish

We will be learning to count as well as recapping on our greetings.

Literacy

We will be sharing and retelling stories about Divali, Halloween, Hanukkah and Christmas.

In our daily phonics session we will continue to explore rhyme, letter/sound recognition and formation.

In Rocket Phonics we will be learning: ck,e,u,r,h,b,f,ff,l,ll,ss,

Tricky words: I to the go no into

Celebrations and People who can help us?

Subject Specific Vocabulary
