Maths
This term, the children will spend more time revising long multiplication and long division. We will then be turning our attention to fractions. We will review how to add and subtract fractions. After that, we will master multiplying and dividing fractions. Then we will end the year by looking at imperial and metric measures.

PHSE
This term we will be talking about equality, identity and citizenship. This will include conversations about racism, sexism and online respect.

History
This term, we will explore the Viking and Anglo-Saxon struggle for the kingdom of England. Our enquiry question: Would the Vikings do anything for money? There will be a home learning project linked to this topic.

R.E.
Our focus will be Christianity. We will explore Jesus' teachings and how they inspire Christians today. We will investigate the values of justice, fairness, forgiveness and generosity.

Art and DT
This term we will be designing, building and evaluating bridges. The project will culminate in an exciting prototype/model bridge building challenge.

English
We begin Term 2 with poetry, reading the classic narrative poem The Highwayman by Alfred Noyes. We will explore the story, characters and use of imagery in this chilling tale. This unit of learning will include a drama workshop.
Our attention will then switch to our history focus: The Vikings. We will write about the Viking raid on Lindisfarne using descriptive language. We will continue to read and discuss Holes by Louis Sachar

Subject Specific Vocabulary

History: The Dark Ages, heathen, unified, raid, Norse, Scandinavia, longboat, chronicle, settlement, The Danelaw, pillage, plunder, saga.

Magical Moments: Drama Workshop, Viking Day and Christmas activities.

Computing
In computing, we will be creating 3D models using TinkerCAD. We will apply our computing skills to create computer-aided bridge designs linked to our DT.

Book recommendations!

Spanish
In Spanish lessons, we will be learning about El tiempo - weather

Music
We will be investigating the musical influences of an artist by comparing pieces of music from different genres. The children will identify features of timbre, instrumentation and expression in an extract of recorded music

Science
This term we will learn about human development and describe the changes that take place as humans develop from birth to old age.

P.E.
In PE sessions we will develop our netball skills and work on our Outdoor Adventurous Activities skills. We are at the gym on Thursday afternoons.
