

## Optional Shared Home Learning Ideas

Below are optional home learning ideas for you to share with your child during term 6. Please do not feel like you have to complete any or all of them. These are provided as an opportunity for you to engage with your child's learning.

1. Draw a picture of how you could travel to Australia.
2. Create a poster about Australia.
3. Build a junk model of an Australian landmark.
4. Have a look at these video links to learn some fun facts:  
<https://youtu.be/9ZyGSgeMnm4>  
<https://youtu.be/zmon5Tv6bYU>
5. Visit the library to see what books relating to Australia you can find. Can you find Australia in an atlas?
6. Create a poem or song about Australia or an Australian animal. Send us a video of your creation 😊
7. Make a fact file. What interesting facts can you find out about an Australian animal or landmark?
8. Can you create a map of Australia? Make sure to include labels.
9. **The Great Bake Off** – Can you do some baking or cooking relating to our Australian theme?  
Create a recipe with a list of ingredients needed and method of how to bake.  
Make sure you bring some in for us to try! 😊

Have your own ideas? Great! We look forward to seeing what you create together.

Please send any photos to the class email:

[y1@ethelbert-road.kent.sch.uk](mailto:y1@ethelbert-road.kent.sch.uk)

If you have any books or resources that would help

enhance our learning of this topic we would be grateful if you could send them in.

Many thanks,

Miss Clark and Mrs Jago
