

Maths

Multiplication and division

Learning 3, 4 and 8 times tables

Understanding divisibility

Multiply 2-digit numbers by 1-digit numbers

Divide 2-digit numbers by 1-digit numbers (with remainders)

English

This term, we will be learning about stories set in imaginary worlds. We will be looking at a number of texts to inspire our own stories. We will be thinking carefully about how to develop the structure of our stories, looking at the development of a simple beginning, middle and ending.

We will also introduce writing in paragraphs and look at the use of inverted commas to demarcate speech.

Exciting Books

Fantasy Stories/Europe

Year 3 Term 3

R.E.

We will be exploring how people experience prayer and what prayer looks like across different religions.

Spanish

Pasatiempos

In Spanish this term, we will be learning about leisure and hobbies.

Subject Specific Vocabulary

Northern / Southern hemisphere	continents	countries
Europe	capital cities	Mediterranean
atlas	compass	East West
locality	distance	

Topic

In Geography this term, we will be learning all about mapping. We will look at different regions across the world but we will have a particular focus on Europe.

PE

We will be participating in a Wake and Shake competition in school. We will be learning about training in Circuits and making shapes in Gymnastics.

Science

In Science this term, we will learn about our topic of Light and Dark.

DT

In DT this term, we will be learning all about pneumatics and creating Moving Monsters.

Magic Moments (Enrichment)

- Entering our own writing in Faversham Literacy Festival
- In school performance poetry
- STEM Week

Computing

We will be creating our own digital branching databases and alongside this, we will be learning how to touch type.

PSHE

We will be learning about a range of topics including Body Image, Gender, Global Warming and Fairtrade.

Music

In Music, we will be learning about March from The Nutcracker and other related songs.
