

## Maths

### Multiplication (3)

Divide 2-digit numbers by 1-digit numbers (with remainders)

### Length and Perimeter

Measure lengths in m, cm and mm

Calculating the perimeter

### Fractions (1)

Compare and order fractions.

Find equivalent fractions.

## English

We will be looking at information books about volcanoes and earthquakes. We be identifying their key features and using them to help us make our vlog scripts. We will also have a go at writing our own newspaper report about the 79AD volcanic eruption of Mt. Vesuvius.

## Exciting Books

# Volcanoes

## Year 3 Term 4

## R.E.

In RE this term, we will think about the religion of Christianity and how important the Bible it is to Christians.

## Spanish

### Mi cuerpo

In Spanish this term, we will learning names for different body parts.

## PE

On Thursdays, we will be practising our football and dance skills. Our shorter fitness session will take place on Fridays.

## Art

In Art this term, we will be creating Pop Art volcano pictures. We will also be completing charcoal still life images and finally, constructing coil pots.

## Subject Specific Vocabulary

<b>eruption</b>	An explosion of steam or lava from a volcano.
<b>aftershock</b>	A shaking event that follows an earthquake. Sometimes more damaging than the original earthquake.
<b>tsunami</b>	A long, high wave usually caused by an earthquake in the ocean.
<b>magma</b>	Hot fluid or semi-fluid material below or within the Earth's crust from which lava is formed.
<b>lava</b>	Hot, molten or semi-fluid rock erupted from a volcano, or solid rock, resulting from cooling of this.
<b>dormant</b>	A dormant volcano is an active volcano that has not erupted in the past 10,000 years.
<b>fault</b>	Fractures in the Earth's crust where rocks on either side of the crack have slid past each other.
<b>magnitude</b>	If you talk about the magnitude of something, you are talking about its great size.
<b>landslide</b>	A landslide is a collapse of a mass of earth or rock from a mountain or cliff.
<b>tectonic plates</b>	The Earth's outer shell is made up of huge slabs of moving rock called tectonic plates.

## Computing

This term, we will be learning about desktop publishing and how to format layouts and edit and improve templates.
